Dear Mr. Hawas:

This letter constitutes final approval of the ICC Evaluation Service, LLC (ICC-ES) PMG listing referenced above, and authorizes use of the listing in accordance with the ICC-ES Rules of Procedure for Plumbing, Mechanical & Fuel Gas Product Listings. Any further changes to the listing cannot be accepted unless they involve an application for re-examination. The listing will be due for renewal on July 01, 2016, and may not be used or referenced beyond the expiration date except with the permission of ICC-ES. Your listing will be available on our web site at [www.icc-es-pmg.org](http://www.icc-es-pmg.org).

Enclosed with this letter are electronic copies of the listing, the ICC-ES Rules of Procedure for Plumbing, Mechanical & Fuel Gas Product Listings, and the ICC-ES PMG mark, for use in your literature and product identification. Use of the listing, the listing number, and the mark must be in accordance with Section 9.2 of the Rules. Please note that the mark, listing number, or name shall not be used in a manner which is misleading, nor shall the mark or name appear on documents that display or indicate products or systems that are not recognized in the listing. All test results noted in your literature where the mark or name appears shall be consistent with the listing. Use of the mark is prohibited in any manner and in any media without authorization from ICC-ES. Failure to comply with the ICC-ES Rules of Procedure for Plumbing, Mechanical & Fuel Gas Product Listings can result in cancellation of your listing.

Please be reminded that the ICC-ES PMG listing program calls for one surveillance inspection(s) by ICC-ES or a qualified third-party inspection body on your Marmox Board / ProTile™ Shower Systems and Tile Backer Board Underlayments during the next year as a condition of your listing. Reports of inspection, completed by your inspection body on the ICC-ES surveillance inspection form, should be emailed to [espmg@icc-es.org](mailto:espmg@icc-es.org) within 30 days of inspection. Also note that our records show that ICC-ES Inspections is your inspection body. Should you change inspection bodies, please notify us before your new inspection body performs any of the required inspections so we can confirm that their qualifications match the requirements of the ICC-ES PMG listing program.
